### **The Gaylord Palms**

#### **All under one roof.**

Few other places can summon such an immediate response as the atrium of Gaylord Palms™ Resort & Convention Center. You'll be awestruck by the resort's signature glass dome, where the Florida experience is showcased in all its glory — from the history and old-world charm of St. Augustine to the colorful and festive island spirit of Key West, to the mysterious waters and cypress of the Everglades.

Set in the style and grandeur of a turn-of-the-century Florida mansion, Gaylord Palms™ Resort & Convention Center offers:

- Four acres of themed experiences under glass, including innovative restaurants, fascinating shops and live entertainment.
- A top-notch guest experience, with all of the services and amenities you'd expect from a world-class resort hotel and convention center.
- State-of-the-art and expansive convention, meeting, and exhibition space, designed with the meeting planner in mind.
- The most prestigious spa in Central Florida, a leading-edge fitness and health facility, and a championship golf course at Falcon's Fire.
- Special activities for children including La Petite Academy® Kids Station, only 5 minutes away from the main gates of Disney, offering daily activities.

#### **1. Our Alligators Don't Bite**

We provide a multi-sensory entertainment experience throughout the hotel. We even have alligators in the Everglades.

#### **2. Everyday's A Celebration**

Sunset celebration - imagine yourself at sunset on a sail boat docked at Mallory Square in Key West where the sun is setting over the ocean, watching jugglers, listening to a really cool band, sipping a margarita. Sound wonderful? We have it at Gaylord Palms Resort & Convention Center, (okay, we don't have the ocean, but we have a sail boat on the water).

#### **3. Oh My Aching Feet**

Tired of pounding pavement at the theme parks like Disney and *Universal Orlando®* all day? Visit our 20,000 square foot world-class Canyon Ranch<sup>SM</sup> SpaClub for the latest massages and treatments available. Relax at the spa or if you need to energize, visit the fitness center where we have cardio theater to help rev-up your metabolism.

#### **4. Kids Count**

We have La Petite Academy® Kids Station inside the hotel. The Academy's staff can watch your children for an hour or the whole day, and even take them to the Disney theme parks. Education with fun programs are planned throughout the day and evening so you can feel comfortable that your child will not be in front of the television all day watching videos.

#### **5. Leave Your Umbrella At Home**

Perfect 72-degree weather everyday under our 4 1/2 acres of glass. There is nothing like it in Florida, where you never have to leave the hotel to experience everything. Well, except the Marine Activities Pool . . . and a massage in the cabana . . . and those skating servers at the South Beach Pool . . .

#### **6. Are we there yet?**

Yes! 5 minutes from Disney - literally!

#### **7. Catch Your Dinner**

Sunset Sam's serves the freshest seafood everyday; just like catching your own fish.

#### **8. Don't Forget Your Sunscreen**

Kids and families can have their own fun with a larger-than-life octopus waterslide and other fun at the Marine Activities Pool. For those sun worshipers who love fun without kids to splash water on them, we have the South Beach Pool, where you can have a massage, drink frozen daiquiris and soak up the sun.

#### **9. Your Mom Doesn't Work Here**

All of our guest rooms were designed with a truly residential feel — as if Mom were here to take care of every detail. You will not want for any of the comforts of home.

#### **10. Those Incredible Beds**

Yes, those oversized extra-comfortable beds — a standard feature in our ultra-luxurious Emerald Bay—are about to become legendary. And the legend won't stop there. Emerald Bay is for those who look for impeccable service in an intimate location.
