

# The Florida Academy of **PAIN MEDICINE** Integration & Innovation

## Survey Results from 2019 Conference

At the recent FAPM conference in Orlando, attendees were asked to complete a survey form to give the board direction from the future.

Following are the results:

What is the best month for the annual conference? **October**

What is the best location for the annual conference? **Orlando**

Should FAPM continue to offer pre-conference programs? **Yes**

Should FAPM expand conference program to three days that offers twenty-one CME credits? **No**

Was the program effective at teaching something new? **90% Yes**

Will the knowledge gained from the program be useful in your daily activities? **95% Yes**

Were the stated objectives met? **96% Yes**

How would you rate this program compared to other conferences? **Higher - 65%**

How did you find out about this conference? **1. Email 2. FAPM Website 3. Brochure**

After reviewing these survey results, the Board voted to hold next year's conference on October 16-18, 2020, at the Hyatt Regency Grand Cypress Hotel in Orlando.
